# The Liberty Swing

Community, Lifestyle, Opportunity

Maroondah City Council is pleased to have the revolutionary Liberty Swing at Ringwood Lake Park, thanks to the generosity of Variety the Children's Charity of Victoria.

Set in the lovely treed environment of Ringwood Lake Park, the swing gives those who use a wheelchair the ability to experience the joy and recreation of using a swing.

With a number of special features, and in compliance with the relevant Australian safety standards, the Liberty Swing is safe and simple to use. The swing is an enclosed apparatus that enables a wheelchair to swing from its frame.

The Liberty Swing is also fitted with a 'pop up' chair to cater for those with limited mobility.

To ensure a safe, fun and enjoyable experience the Liberty Swing includes:

- Ramp access
- Wheel locking mechanism
- Safety harness
- Pop up seat
- Clear instructions on how to use the chair
- Easy to use key providing access to the swing

## Sponsored by Variety the Children's Charity

The installation of the Liberty Swing at Ringwood Lake Park is thanks to the work of Variety the Children's Charity, and a kind donation provided by ConnectEast.

Variety Australia aims to provide every community with access to at least one Liberty Swing in a major playground so that all children have the chance to 'swing in the park'.
