

## Active & Healthy Ageing Initiative – Towards an Age-friendly Maroondah 2015 – 2020

---

Dear Maroondah Community Member

In line with the objectives of the Active & Healthy Ageing Initiative, we are currently seeking your feedback regarding the following:

- Any unconstructed or constructed pathways you currently use to walk in and around Maroondah that you feel need some improvement to assist walkability and accessibility;
- New or missing pathways in Maroondah;
- Open spaces within Maroondah you feel would benefit from the provision of a bench set;
- Any bus stops within Maroondah you feel would benefit with a bus shelter;
- Pedestrian crossing access; and
- Nominations for public toilet locations

Please use the form following to nominate any items as described above and also let us know the following information as outlined below:

1. Location – street name or name of open space/reserve – the more specific you are the better
2. Description – briefly describe the pathway and the issue/s that impact on walkability (provide photo evidence if able)
3. Reason for using this existing path. Please select from the following categories:
  - 3a **Recreational** = stroll /exercise / social
  - 3b **Commuter** = to get to other modes of transport
  - 3c **Destination** = shops, medical/health facilities, work (paid/unpaid)
4. Please indicate if you are also currently using a walking or mobility aid

An inventory of your nominated pathways, bench seating, bus shelters, pedestrian crossings and public toilets will then be created. All nominations will be inspected and assessed and sent to the relevant authorities and/or service areas.

If you have any queries, do not hesitate to contact the Active & Healthy Ageing Coordinator, Mary Katsikis, on **9294 5790**. Please provide this information to Mary via email [mary.katsikis@maroondah.vic.gov.au](mailto:mary.katsikis@maroondah.vic.gov.au) ) or post: PO Box 156, Ringwood VIC 3134.

Thanking you for your cooperation. And as always thank you for contributing towards an age-friendly Maroondah.
