Notes

- (a) No hoardings etc. are to be erected until Council (through its delegate the Municipal Building Surveyor) has given its consent and report pursuant to regulation 116(4).
- (b) The hoardings etc must be approved by the relevant building surveyor before building works commence pursuant to regulation 116(2).
- (c) Before and during the carrying out of building work all excavations must be fenced or otherwise guarded against being a danger to life or property pursuant to regulation 116(3).
- (d) Every hoarding and overhead protective awning shall have fitted to it such lights as may be required and all such lights shall be lit before or at sunset each day and kept alight from sunset to sunrise. If electricity is not available on the site, a temporary supply shall be provided for the lights; as necessary.

The prescribed fee must be paid prior to any determination.

Application Requirements

The following information must accompany the application form for a Hoarding Permit:

- Detailed plans (3 copies min.) which must accompany this application and contain information including but not limited to site plan, elevation/s, and/or connection details etc
- Current copy of Title/ Plan of Subdivision
- Details of hoardings/safety barriers together with the structural certification and written confirmation from the relevant building surveyor stating that the proposed precautions have been approved in accordance with Regulation 604(2).
- Details and written confirmation from the relevant building surveyor confirming that access around or through the public precautions comply with AS1428.1-2009 and AS1428.4-1992 in accordance with Regulation 604(2)
- A copy of a traffic management to be in accordance with AS1742.3 and VicRoads Worksite Code of Practice consisting of:
 - Full site plan showing all property boundaries, buildings, footpaths and roadway details
 - Location and type of hoarding/scaffolding to be used
 - Distance/width of footpath to be taken up by the hoarding/scaffolding and remaining footpath width available for pedestrian travel
 - Location and type of pedestrian signage to be used
 - Location of trees, power poles, street signs, street furniture, service hatches, fire hydrants etc.
- Hoarding Permit are issued on the condition that public liability insurance is in place for its duration – for minimum cover of \$10 million against any claims of injury or damages resulting from the placement of the hoarding or protective awning with respect to building work.
