## Outstanding citizens honoured

Maroondah's most inspiring community members were celebrated at an Australia Day event held at Ringwood Lake Park on 26 January.

Mayor of Maroondah, Councillor Kylie Spears, announced the 2025 Citizen of the Year and Community Event of the Year during a special awards ceremony.

Sixty Maroondah residents also took the Australian citizenship pledge before family and friends on the day. People from many different countries, including Norway, Vietnam, Japan, Nepal, China, India, Northern Ireland, the United Kingdom, Malaysia, New Zealand and England, embraced Maroondah as their new home.

Council invites our community to nominate an individual or community group for the annual Maroondah Australia Day Awards, in recognition of their outstanding contributions to the community.

The 2025 recipients were honoured for their incredible impact in Maroondah and across the wider community.

# Reignite Croydon – Laneway Lights project unveiled

The *Reignite Croydon – Laneway Lights* project has transformed three laneways off Main Street, Croydon, into a captivating display of light and art. This exciting project features four striking light installations that provide a welcoming space for pedestrians.

Local artist Jasmine Grace is thrilled to have created her first permanent public artwork in a neighbourhood she knows well. Titled *Life Reflected*, the installation features eight illuminated circular mirrors that light up in response to movement, inviting passers-by to engage with their surroundings and capture their reflections.

"It's definitely an exciting and defining moment for me artistically to have produced a work that the community can enjoy for years to come," Jasmine said.

Alexander Knox's kinetic neon piece reflects the swaying motion of Wallaby Grass; Sam Songailo's intricate steel archway offers a sense of renewal and transition; and local artist Alinta Koehrer's collaboration with Kirsten Baade celebrates Indigenous flora.

This project has been developed in partnership with the Victorian Government, through the Living Local fund.

Heidi has also driven partnerships with organisations like Eastland, Centrelink and EACH, enabling the delivery of essential services.

She has led innovative social enterprises like Café on the Park and Hungry 4 Success, which both provide employment opportunities for disengaged youth and long-term unemployed residents. Hungry 4 Success earned the 2023 Victorian Government Learn Local Awards for Partnerships.

“These initiatives change lives. When you can actually see that you’re making a difference in people’s lives, no matter how big or small, that’s what keeps you going,” Heidi said.

Heidi’s efforts have positioned Glen Park Community Centre as a benchmark for neighbourhood houses across the region.

### Young Citizen of the Year

Shannon Freeman received the Young Citizen of the Year award for making a tangible difference in the lives of those in need across Maroondah.

For the past three years, Shannon has been a familiar face at Meals on Wheels, delivering essential meals and brightening the day of residents. Shannon also plays an integral role in the home library service, ensuring that those who are housebound can still enjoy access to books and resources. She also lends her time to the Bayswater Salvos two days a week, offering practical support and a warm presence.

“I like the work. I volunteer most days of the week – on Monday, Tuesday, Wednesday and Friday,” Shannon said.

In addition to this, Shannon dedicates her time to Elderly Rights Advocacy, visiting nursing homes to provide companionship and comfort to residents.

“I like talking to the Meals on Wheels clients, and to residents in the nursing homes. I like meeting new people.”

Shannon’s volunteer work is a testament to her unwavering dedication to making her community a better place, and she continues to inspire those around her.

### Community Event of the Year

The Maroondah Rotary Club Gala Night was awarded Community Event of the Year. The event, held on 15 June 2024 at Karralyka in Ringwood East, was a

key fundraising event aimed at supporting mental health initiatives in Maroondah and beyond.

In partnership with Eastland and Orion International Group, the event raised over \$30,000 to benefit local mental health programs, including the ‘Employ Your Mind’ initiative.

The evening featured powerful speeches from mental health experts, including Eastern Health CEO David Plunkett, and a special address by Samuel Johnson, co-founder of the ‘Love Your Sister’ campaign.

Maroondah residents following the citizenship ceremony

With over 50 years of community service, Maroondah Rotary continues to drive change and support mental health services in the region.

Richard Royle accepted the award on behalf of Maroondah Rotary.

“We had about 50 different businesses in the local Maroondah community support us, whether it was through donating items for auctions for raising money or coming along personally and buying tickets to the Gala.

“We recognised that mental health is a widespread issue ... When we started to go around to the community, it’s amazing how many of them said, ‘I have a relative or a friend who has a serious mental health issue, I’ll support this’.

“We had a couple from the local community, the Cooper-Smiths, who generously donated \$25,000 towards the fundraising target. That demonstrates the real commitment to all of this.”

Congratulations to our deserving recipients, nominees and citizens.

# Keep bins bag-free through 'loose' recycling

**Did you know that the way you recycle can make a big difference?**

When using your blue-lidded recycling bin, remember to keep items loose – avoid placing them inside plastic bags, cardboard boxes, paper bags or other packaging. Recyclables placed in a bag or box can't be sorted properly, leading to more waste and damage to sorting equipment.

Your actions at home ensure valuable materials stay out of landfill, contributing to new products being made such as planter boxes, glass jars and pizza boxes. You'll also be making it easier for Council to collect and process our recyclables.

Also, don't forget about batteries! Household batteries like AA, AAA, C, D, and 9V should never go in your kerbside bin.

For safe battery recycling:

1. Tape the ends.
2. Store them in a glass container (not airtight).
3. Drop them off for recycling at Council's Recycling Station at Realm, or at Council's Croydon Customer Service Centre.

You can also visit the B-cycle website [www.bcycle.com.au](http://www.bcycle.com.au) to find for your closest battery recycling location.

For more tips, visit Council's 'Recycling and Waste' webpage or visit the Sustainability Victoria website at [www.sustainability.vic.gov.au](http://www.sustainability.vic.gov.au)

## Fascinating digital garden installation

**In the highly stimulating sensory landscape of contemporary life, we are often disconnected from the natural world yet hyperconnected. Can nature restore tranquillity to our minds and help us become more attuned to the ecosystems that sustain life on earth?**

*Soft Fascination*, a digital installation in Artspace at Realm featuring audiovisual field recordings of a fascinating subtropical garden, invites us to consider just this.

The use of specialised recording equipment, such as microphones that record the internal resonance of trees or water, allows us to perceive this world beyond the limitations of our ordinary abilities, expanding our senses to enhance our ecological connectedness, empathy, attention, and even devotion towards the non-human.

You can view the exhibition until Sunday 9 March.

See full details, including upcoming workshops, at: [www.maroondah.vic.gov.au/soft-fascination](http://www.maroondah.vic.gov.au/soft-fascination) or scan the QR code.
