## Collection guidelines

- Place the correct bins out by 6am and bring them in within 24 hours of collection.
- Check your bin weight. If you can't easily wheel your bin to the kerb, or it weighs more than 40kg, then it's probably too heavy to be collected.
- Your bin lid must be fully closed. Don't overfill your bin as extra bags of rubbish will not be collected and you will be required to pick up any litter created due to the lid not being closed.
