Acknowledgement of Country

We, in the spirit of Reconciliation, acknowledge the Wurundjeri People of the Kulin Nation as traditional custodians of the land now known as the City of Maroondah, where Indigenous Australians have performed age-old ceremonies. We acknowledge and respect their unique ability to care for Country and their deep spiritual connection to it. We pay our respects to their Elders, past, present and emerging.

Introduction

Overview

Maroondah City Council supports projects that enhance community wellbeing and make Maroondah a healthier, supportive, resilient and more inclusive community.

The Grants Program offers four annual grants schemes:

- Community Development Grants
- Arts and Cultural Grants
- Emergency Relief Grants
- Small Equipment Grants

Each year, organisations may apply for one grant scheme only and submit one application only.

We encourage representation from a wide range of groups, including but not limited to, First Peoples, LGBTIQ+ communities, organisations representing or supporting people with a disability and those representing or supporting diverse cultural and linguistic communities.

We encourage partnerships between organisations. You can discuss potential partnership opportunities with a relevant Council officer, listed on page 11.

Alignment with Maroondah's priorities

Council has identified key priorities outlined in the *Maroondah Liveability Wellbeing and Resilience Strategy 2021-2031*.

If you are applying for a Community Development Grant or Emergency Relief Grant you will be asked how your proposed project/program aligns with the following Council priorities*.

- **Healthy Lifestyles**, including physical activity, mental health, healthy eating, connection to nature, cultural participation.
- **Liveable Neighbourhoods**, including social/affordable housing, learning/employment pathways, walkability, climate change, accessing open spaces.
- **Safe Communities**, including gender equality, violence prevention, preventing elder abuse, online safety, promoting community safety, emergency management.
- **Social Inclusion**, including promoting access, equity, community connection, supporting vulnerable communities, homelessness, encouraging volunteering.
- **Social harms**, by preventing harm from alcohol, gambling, tobacco, vaping, illicit drugs and excessive screen use.
- **Embracing Diversity**, by celebrating our differences and promoting social harmony, including First Peoples, intersectionality, cultural diversity, gender identity, disability, all ages.

**Not relevant for Arts and Cultural grant schemes.*

What type of not-for-profit organisation are you?

When completing your application, it is important to nominate the correct type of not-for-profit category that applies to your organisation. Incorporated not-for-profit community organisations may include but are not limited to:

- Charities registered with the Australian Charities and Not-for-profits Commission (ACNC)
- Organisations with Deductible Gift Recipient (DGR) or Public Benevolent Institution (PBI) status
- Cooperatives
- Companies limited by guarantee and/or limited by shares (non-distribution of profits or dividends)
- Trusts that are registered with the Australian Charities and Not-for-profits Commission (ACNC)
- Associations (registered under the *Associations Incorporation Act 2012*)
- Local Aboriginal Land Councils and Corporations
- Organisations established under an Act of Parliament.

Role of an auspice organisation

An auspice arrangement is when a larger organisation assists a smaller organisation or individual to fund a grant activity or event.

The larger organisation is known as the auspice organisation. The role of an auspice organisation is to receive, manage and acquit the grant funding on behalf of another not-for-profit organisation, group or individual that applies for a grant but

is not a legal entity. The auspice organisation must also provide public liability insurance cover for the proposed grant activity.

If you have an auspice arrangement, you will need to provide evidence that an auspice organisation has agreed to undertake these tasks for you, and to provide this insurance cover.

This evidence is usually in the form of a letter, attached and uploaded on the SmartyGrants platform along with your grant application.

An auspice organisation must be an incorporated not-for-profit community organisation with \$20 million public liability insurance.

Projects on Council-owned sites

If your grant project involves a Council-owned site, please be aware that additional considerations are necessary.

Events on Council land

Any planned event on Council land requires an Event Application Form to be submitted at least four months prior to your event, in addition to the Grant Application Form. Council land includes facilities such as: sporting reserves, bushland reserves, open space, roads, and car parks.

More information can be found at www.maroondah.vic.gov.au/Running-an-event-on-Council-land

Public art on Council-owned sites

If you wish to install public artwork as part of your grant project, Council highly recommends finding a site that is privately-owned, but with public exposure, subject to approval of the site owner.

Public art projects on Council-owned sites can be more complex due to the nature of risk management, maintenance costs and infrastructure upgrades on Council sites.

If your project includes any public art component, it is essential that you contact the Community Cultural Development Officer, and the Public Art Program Lead. Email publicart@maroondah.vic.gov.au to discuss your project.

Grant applications for public art projects will be additionally assessed on the applicant's understanding of the logistics, risk assessment and site management of public art projects.

Please refer to the Acknowledgment and Publicity Guidelines sent to each successful applicant for guidance on ways to acknowledge your Maroondah Community Grant.

Child Safe Standards

Maroondah City Council is committed to being a child-safe organisation where all children and young people are valued and protected from harm and abuse. We have zero tolerance for child abuse.

As part of our commitment to the Victorian Child Safe Standards, Council has child safety requirements in place to help ensure the safety of children and young people under 18 years of age when providing grant funding to other organisations, groups or individuals.

Council will request information and evidence in support of these requirements at the grant application and/or funding agreement stage.

Applying a Gender Lens

Maroondah City Council is committed to working towards a community where everyone is safe, valued and enjoys equity of opportunity and outcomes.

Our commitment to gender equality is embedded in our Council Plan, *Maroondah 2040 – Our future together, Maroondah Liveability Wellbeing and Resilience Strategy 2021-2031* and our *Gender Equality Action Plan 2021-2025* available on Council's website.

Gender equality is an important determinant for health and wellbeing. Women, men and gender diverse people face different experiences based on social conditioning and subtle biases. Designing or delivering a project by treating all people as the same may not necessarily result in equal outcomes.

When preparing your application, we encourage you to think about removing barriers and encouraging inclusion. Research tells us that to prevent violence against women action must be taken to address gender inequality. Doing so will mean your work is fairer, because everyone is included.

Further information on applying a 'gender lens' to your project visit <https://explore.fundingcentre.com.au/help-sheets/gender-lens>
