

# Application for an Extension of Time to a Planning Permit

01 July 2024 - 30 June 2025

Section 69 of the Planning and Environment Act 1987 (PE Act) allows an applicant to make an application to Council for an extension of time for either commencement or completion.

A request can be made:

- Before the permit expires or within 6 months afterwards, or
- Within 12 months after the permit expires if the development has lawfully commenced.

Note: If these time frames have elapsed, Council cannot extend the permit under the PE ACT. In these cases a new Planning Permit application will be required.
